

Cover Letter for Submission of Manuscript

April 16, 2020

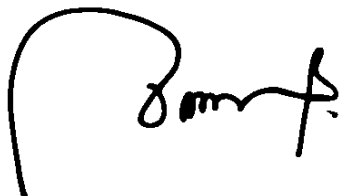

Dear editor,

I am pleased to submit an original article and I am enclosing here with a manuscript entitled "Potentials of Rose (*Rosa damascena*) Petals and Receptacles Extract as Antioxidant and Antihyaluronidase" submitted to Pharmacia for possible evaluation. We believe that this manuscript is appropriate for publication in Pharmacia because it referred to medicinal potential of petals and receptacle of rose flower (*Rosa damascena*) extract. Our manuscript contributes for future studies in developing natural-derived drug as antioxidant and antiaging.

This manuscript has not been published and is not under consideration for publication elsewhere. This study was funded by Universitas Prima Indonesia. All the authors have directly approved the final version manuscript. We also have no conflicts of interest and hereby convey all copyright ownership exclusively to the journal.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Chrismis Novalinda Ginting'.
